**Please Initial Below:**

\*\*\*To adopt, you must be at least 18 years old, have the knowledge and consent of all adults living in your home, and be willing and able to spend the time/money needed to provide the dog with training, vet treatment, and proper care. We reserve the right to approve or deny any adoption. Every MASA animal has been vetted and cleared for adoption by a licensed Veterinarian. This does not guarantee that every animal is 100% healthy as conditions may show up after adoption and MASA is not responsible for any further veterinarian bills, unless otherwise agreed. MASA is not responsible if the animal you adopt bites another animal or human. Proper introduction, training, discipline, and exercise can help avoid bad behaviors. If you decide that you can no longer provide a home for this animal you are required to release it back to MASA. **Adoption fees are considered donations are not refundable and not transferrable.**

I agree to keep proper ID tags on the dog. In the event that the dog is ever lost, stolen, or killed, I agree to notify MASA immediately.

I agree to allow a MASA representative to contact me by phone, text, or email for updates on the dog. In the event that I move or change my phone number I will contact MASA to update my information.

I agree to allow MASA to post my adoption pictures to its Facebook page and/or website.

All of the information I have given is true and complete. This dog will reside in my home as a pet. I will provide quality dog food, plenty of fresh water, indoor/outdoor shelter, affection, annual physical examination and vaccinations under the supervision of a licensed Veterinarian.
